THE PATRIOT — VOLUME VIII
JEFFERSON PREPARATORY SCHOOL

PINE BLUFF, ARKANSAS

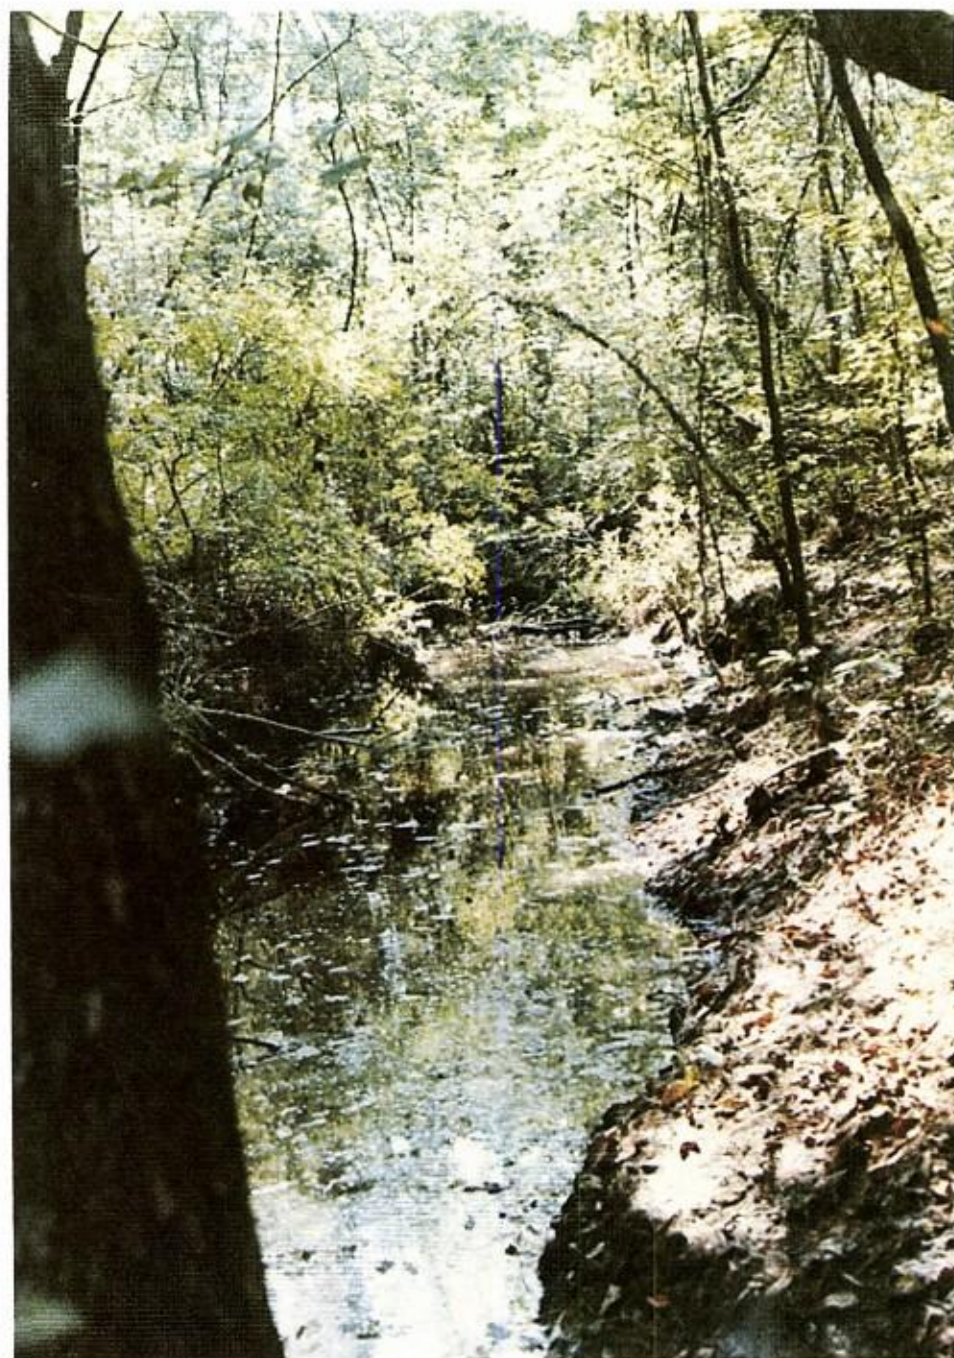

In February of 1971, a group of parents in the Pine Bluff area conceived the idea of establishing a college preparatory school. From among this group of interested parents, a "Steering Committee," consisting of Ben W. Martin, Mitchell Bonds, Joe Cook, Jack Hatcher, Stanley Cook, Jr., and Talbot Benton was elected. These men accepted the challenge of establishing a college preparatory school, and on February 8, 1971, they voted to name this new educational institution Jefferson Academy.

A twenty-acre site at the intersection of Hazel and Ridgeway Roads was selected that spring on which two classroom buildings, large enough to accommodate three hundred students, were erected and furnished.

The fall of 1971 saw an enrollment of 201 students with Dr. Dudley Heath as the school's first headmaster.

JEFFERSON PREP.

A DREAM COME TRUE

In April of 1972, the Board of Directors employed Mr. William R. Garrison as headmaster. By the summer of 1972, the enrollment had increased to 250. A Montessori School was added and twenty-five students were enrolled by August of 1972. A gymnasium complex was constructed that year.

Funds were appropriated for the construction of a new building to house the Montessori and Lower School. In 1975, the Cook Building was completed.

Mr. Webster C. Reyner was hired as headmaster in 1977. He had previously been the headmaster of St. Paul's Episcopal School in Mobile, Alabama.

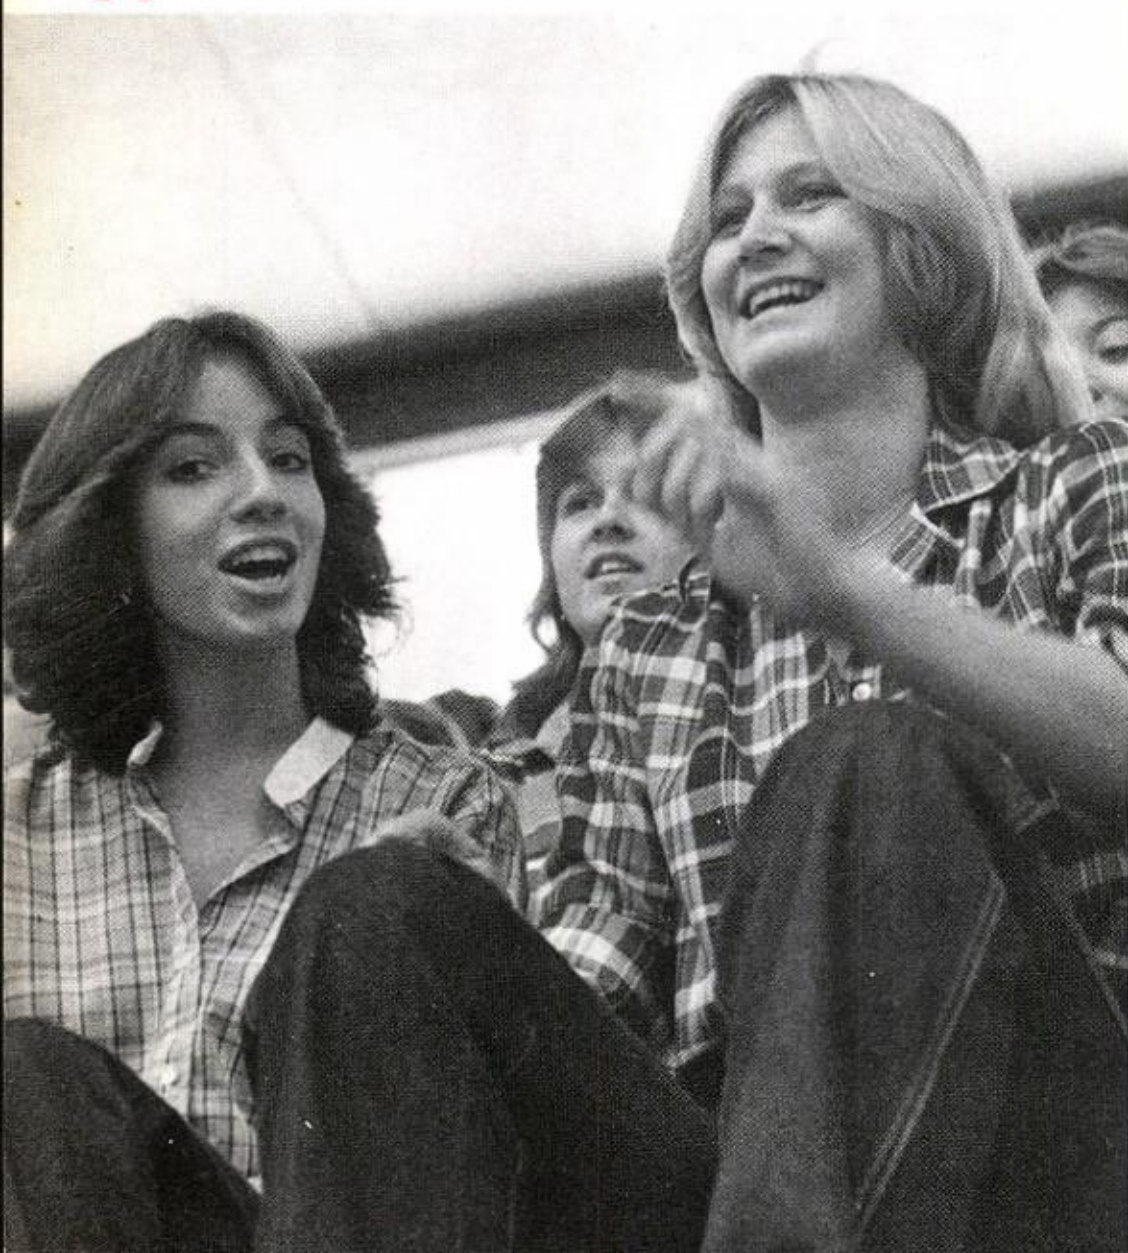

This fall, enrollment is up, and in the words of Mr. Reyner, "Our philosophy is to provide an education that will serve both as a strong preparation for college and a stimulus to the pursuit of knowledge and understanding throughout life."

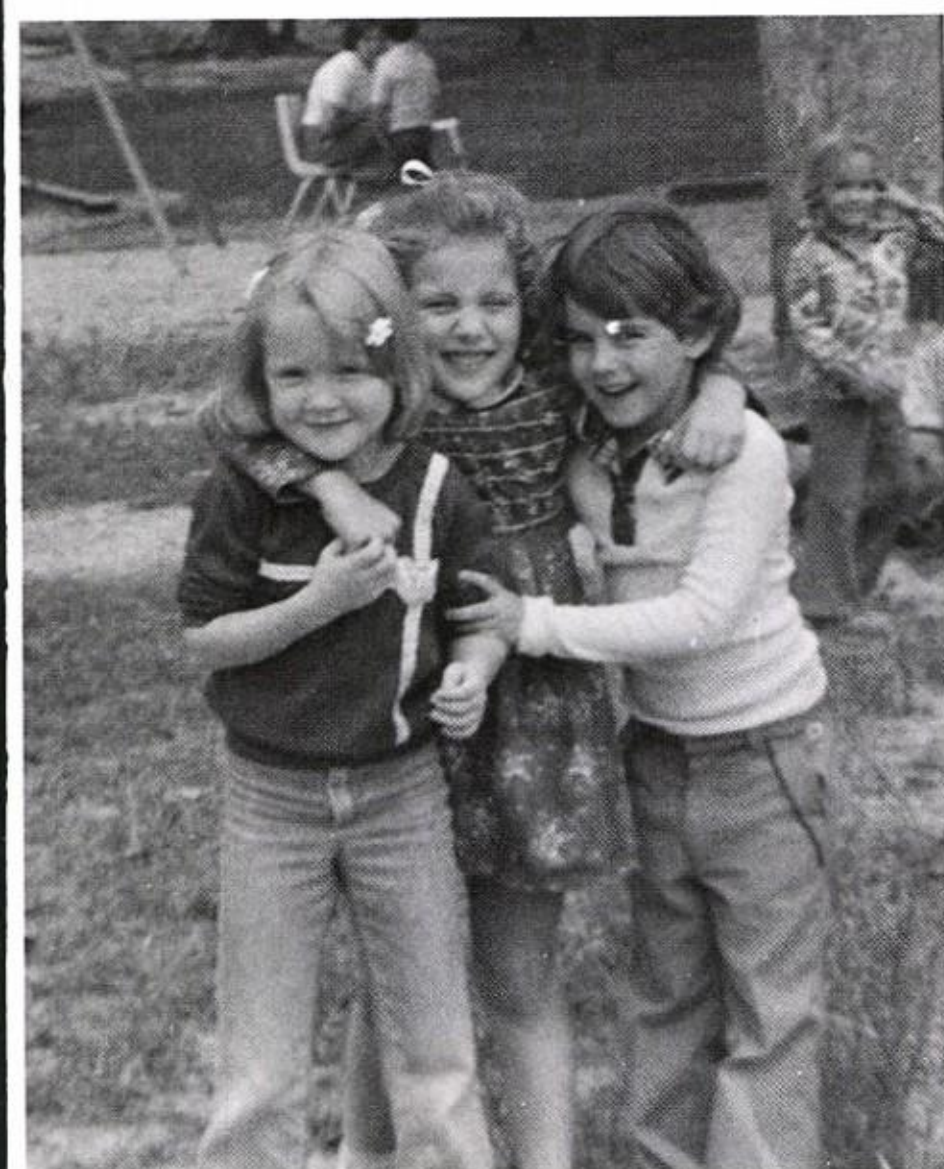

THANK YOU FOR BEING A FRIEND

It's important to have a friend and just as important to be someone's friend. Sharing and caring for each other is what makes Jefferson such a special place to be.

Each year in a student's life brings new challenges and different experiences, and having our friends near helps get us through the days.

When the days get long and your old reliable friend is there to help you, don't forget to say, "Thank you for being a friend".

THE JEFFERSON FAMILY

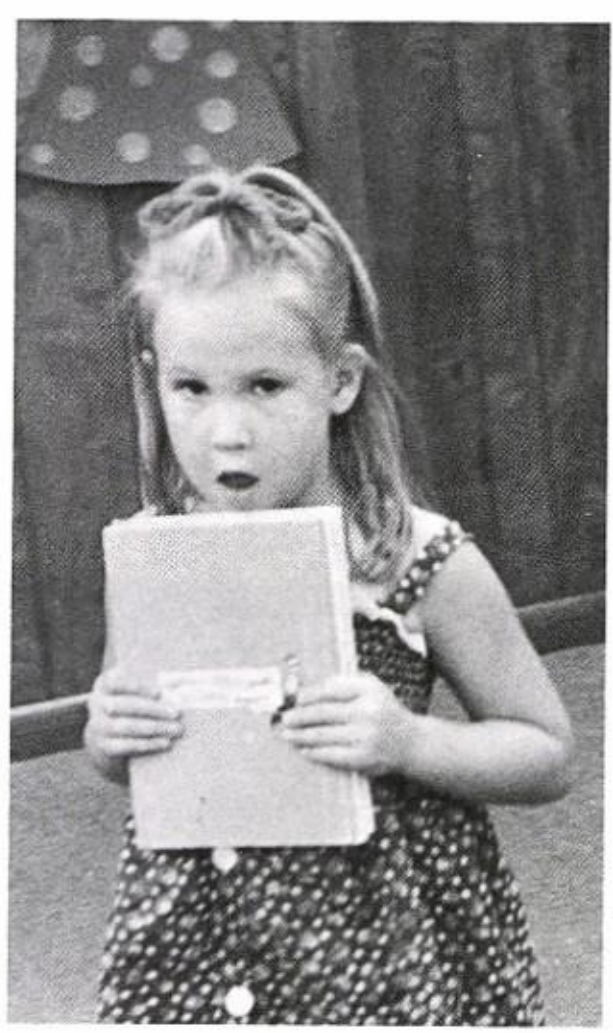

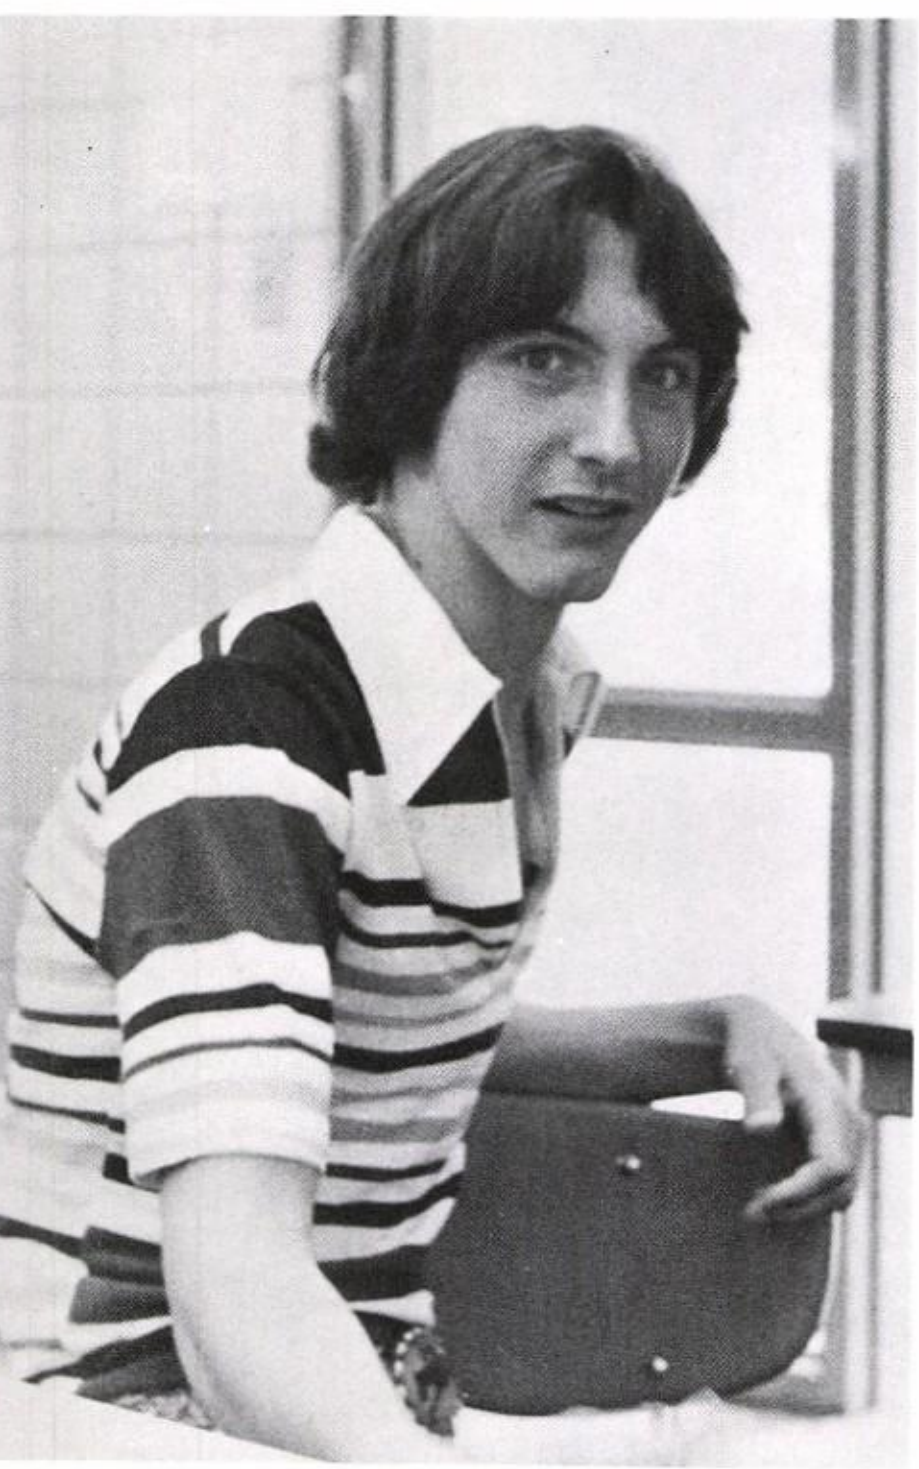

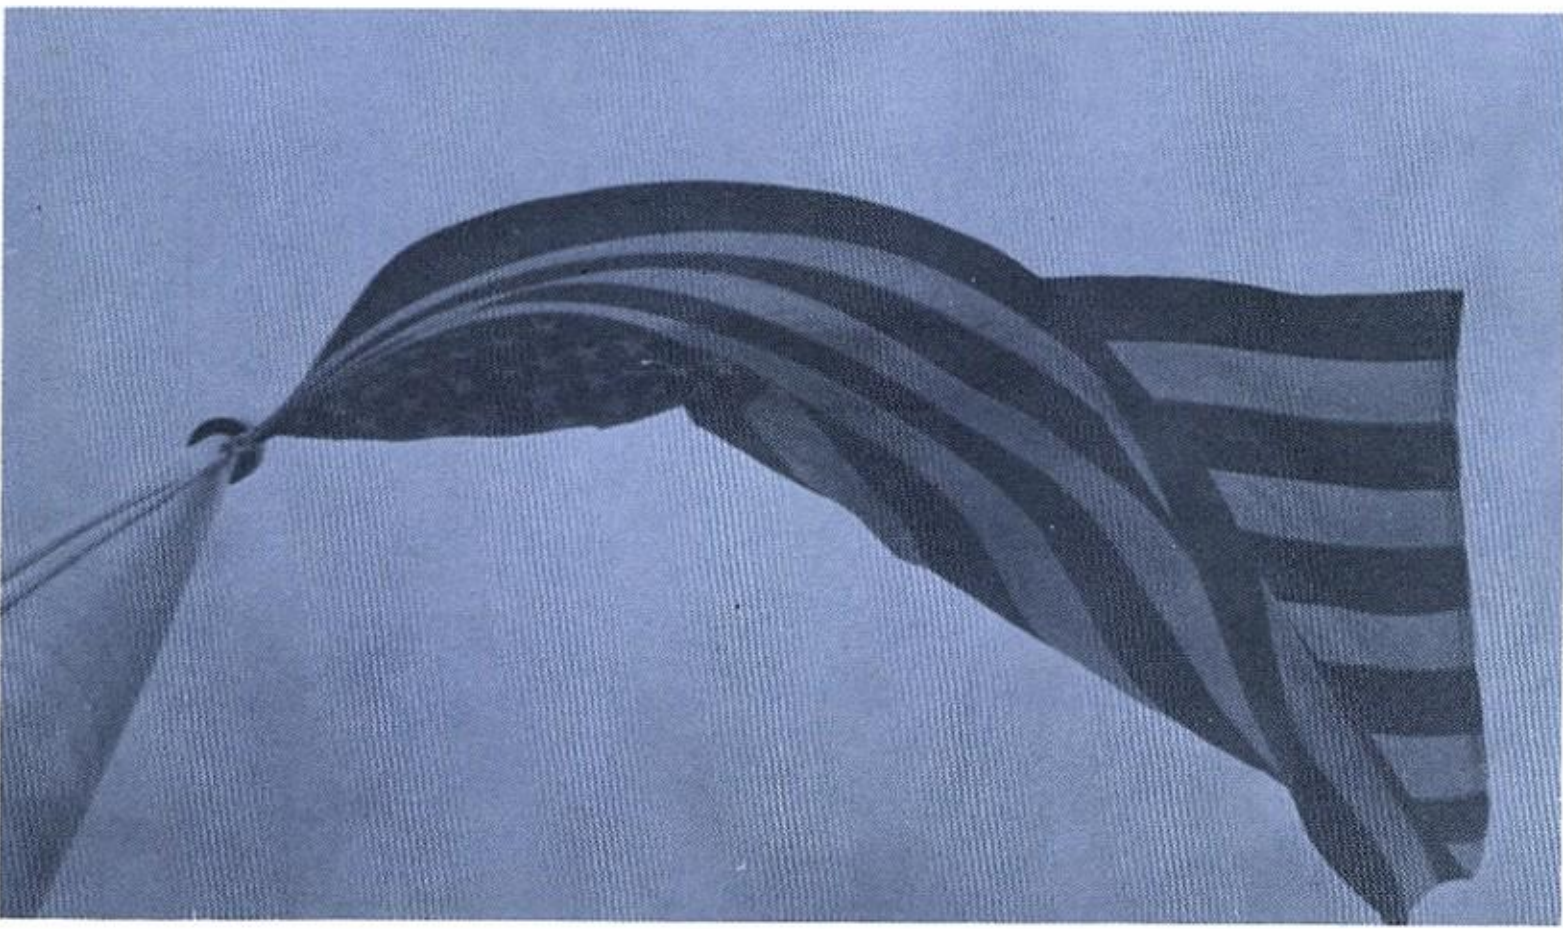

Most schools are usually not referred to as families, but at Jefferson we have a small, unique group of people who join together with a closeness that sets us apart and forms our "family".

We gain a lot more than just book knowledge from our first twelve years of school. The teachers and faculty serve as a big factor in our family. They instill in us more confidence in ourselves and our work because we know that they are willing to give their time to help. And when we need them, our teachers are our friends!

Graduation is a very special event at Jefferson. This is a touching occasion that every senior will hold in his heart for many years to come. And though the seniors will be leaving, there will still be a feeling that they are a part of Jefferson. Being from such a family as ours, each one can go out knowing that they are prepared for whatever shall come into their future.

We don't want to brag about our school, although we are very proud of it and the people in it. We just want everyone to know how we feel about Jefferson. This school means a lot to many people and just as you wouldn't leave your family, we wouldn't leave ours.

HOMECOMING '78

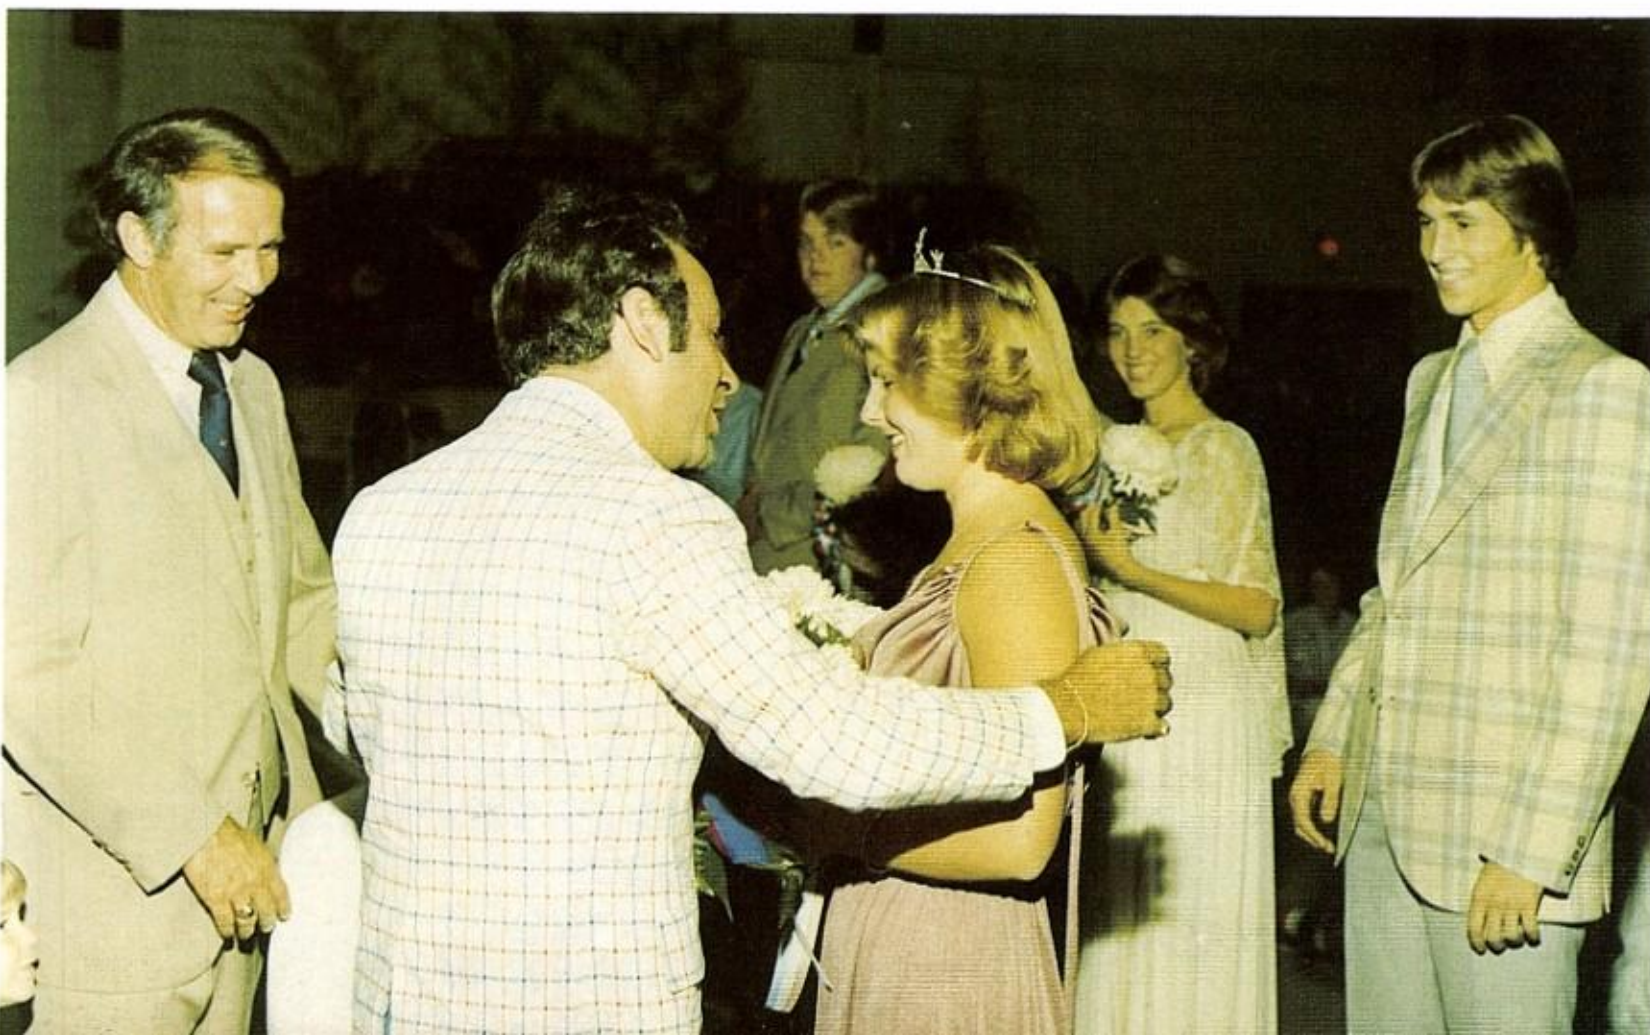

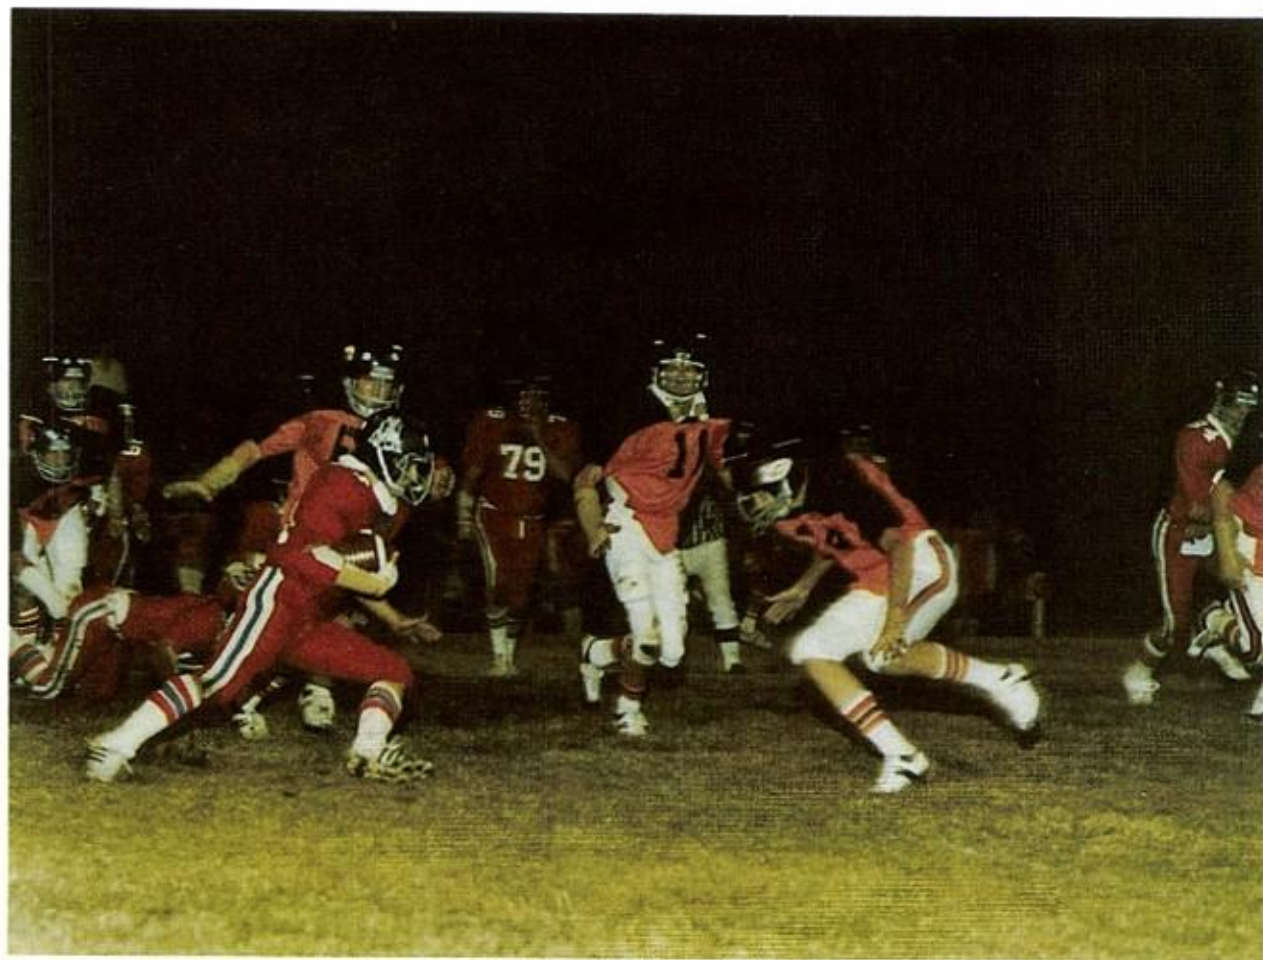

Spirited Jefferson students presented the theme, "Fantasy Island", for the 1978 homecoming activities at an assembly, October 13.

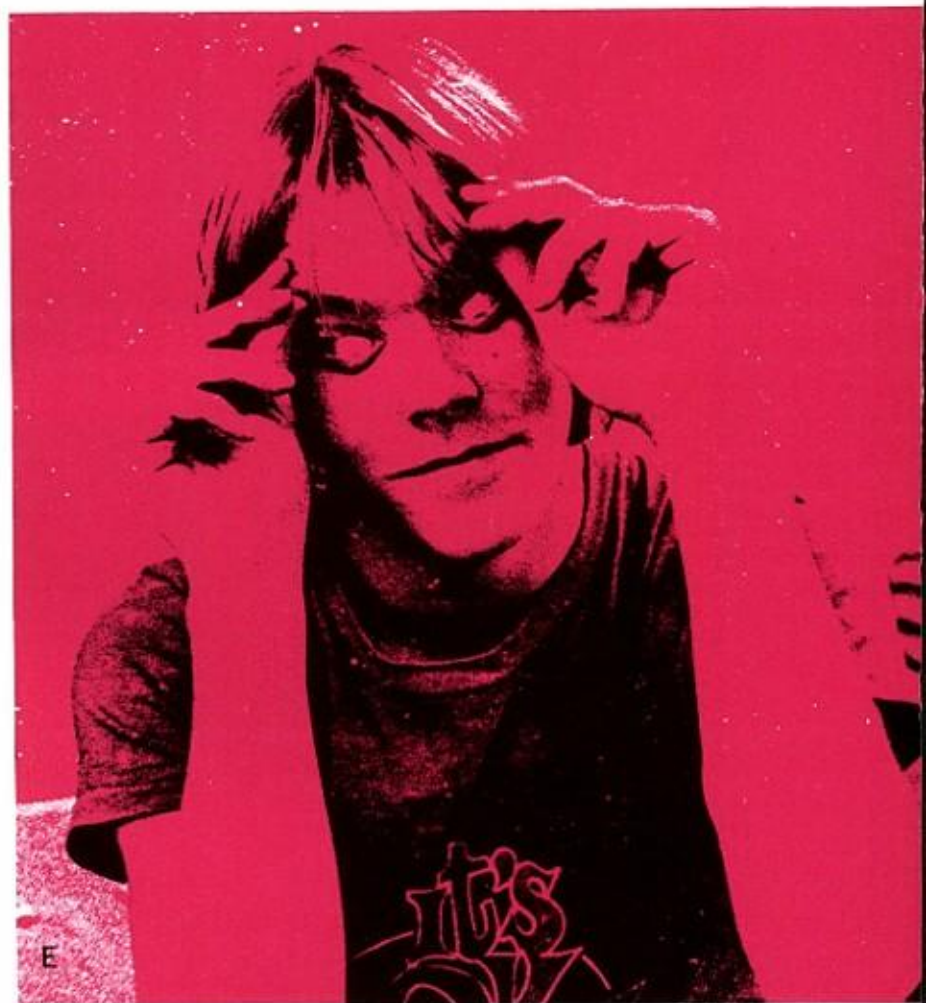

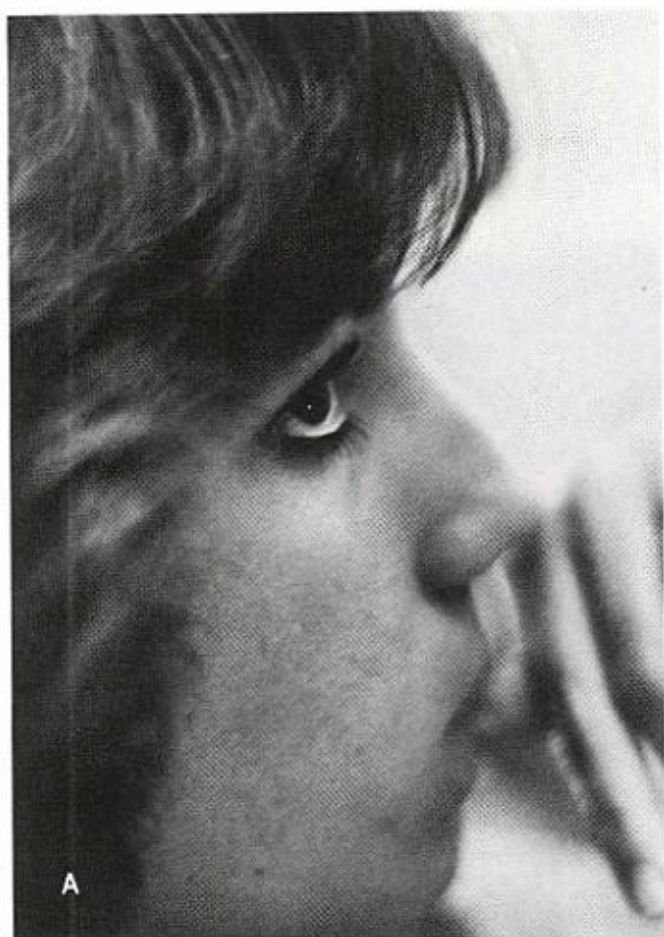

Mr. Roark and Tattoo had many interesting guests that day: Carla Wilson wanted to become a famous singer, the sophomores fantasized about being teachers at Jefferson, the Wizzards wanted a sell-out concert, Judson Ridgeway wanted to be John Travolta, and John Atkinson wanted to return to the days of his childhood.

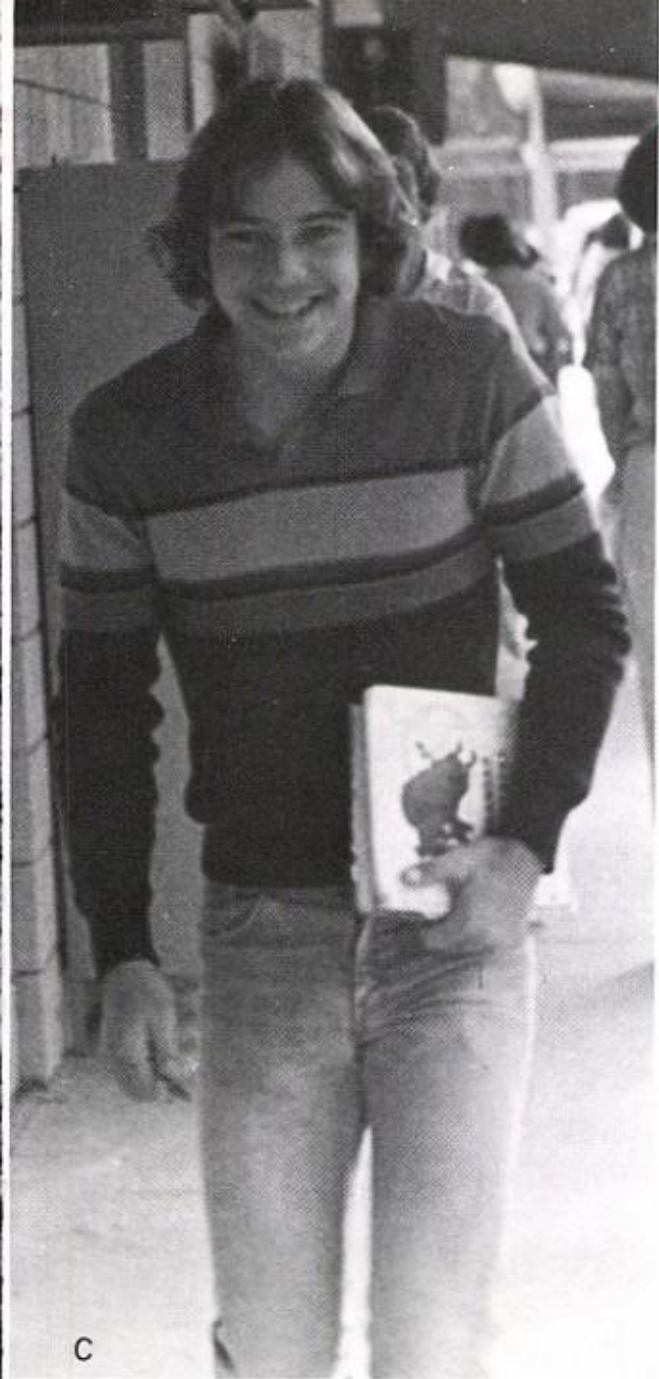

The most exciting moment of the day was the crowning of Jefferson's 1978 Homecoming Queen, Kim Quinn.

After the Patriots played Gillete that night, a disc jockey supplied the music for the dance.

WEBSTER C. REYNER

The 1979 Patriot Staff wishes to dedicate this annual to Mr. Webster C. Reyner. Mr. Reyner has been with Jefferson for two years and in this time he has given us his generosity, devotion, knowledge, and leadership. He has set high standards for each of us, so that we may have a better opportunity to succeed in life.

Through Mr. Reyner's guidance, Jefferson is conducted as a well-ordered home, where unselfishness, a sense of responsibility, and a consideration for the rights of others are of foremost importance.

Mr. Webster C. Reyner is truly, DEDICATED.

The Jeffersonians, comprised of the mothers of our students, have continued their tradition of service to Jefferson. They have run the concession stands for all our sports events, and have supplied a volunteer in the office each school day. This year they co-sponsored a Halloween Carnival with the Senior Class. In the spring, they held another very successful auction and a lovely taster's luncheon. The 1978-1979 officers are: Diane McGeorge, President; Melinda Bracy, Vice-President; Charlene Trafford, Secretary; and Ann King, Treasurer.

The Booster Club, a dedicated group of Jefferson fathers, have worked diligently for the school. These men handle the parking and the admission at our sports events. The Booster Club also sponsors the elementary basketball program for our fourth, fifth, and sixth grade boys and girls, preparing them to become future Patriots. This year's President is David Jeffries.

Special thanks also goes to Senior staff member - Stephanie Cornwell, Junior - Barrett Stratton, and Sophomore - Cathy Curtis. We hope that you will enjoy this annual.

ANNUAL STAFF

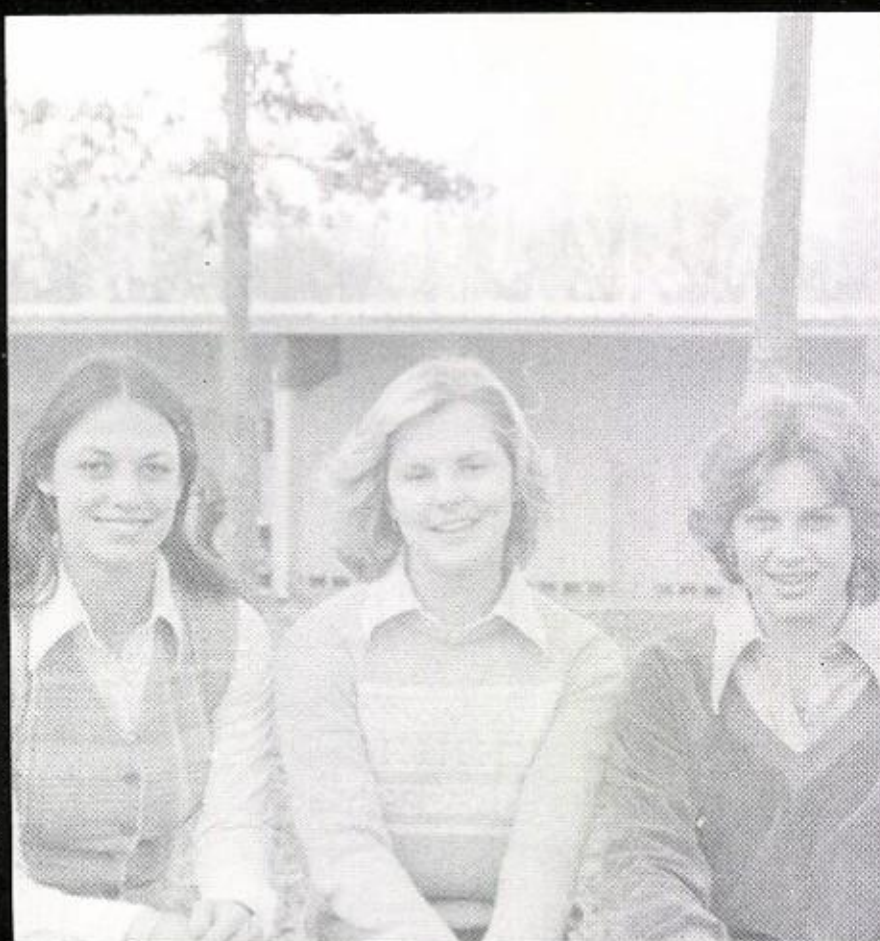

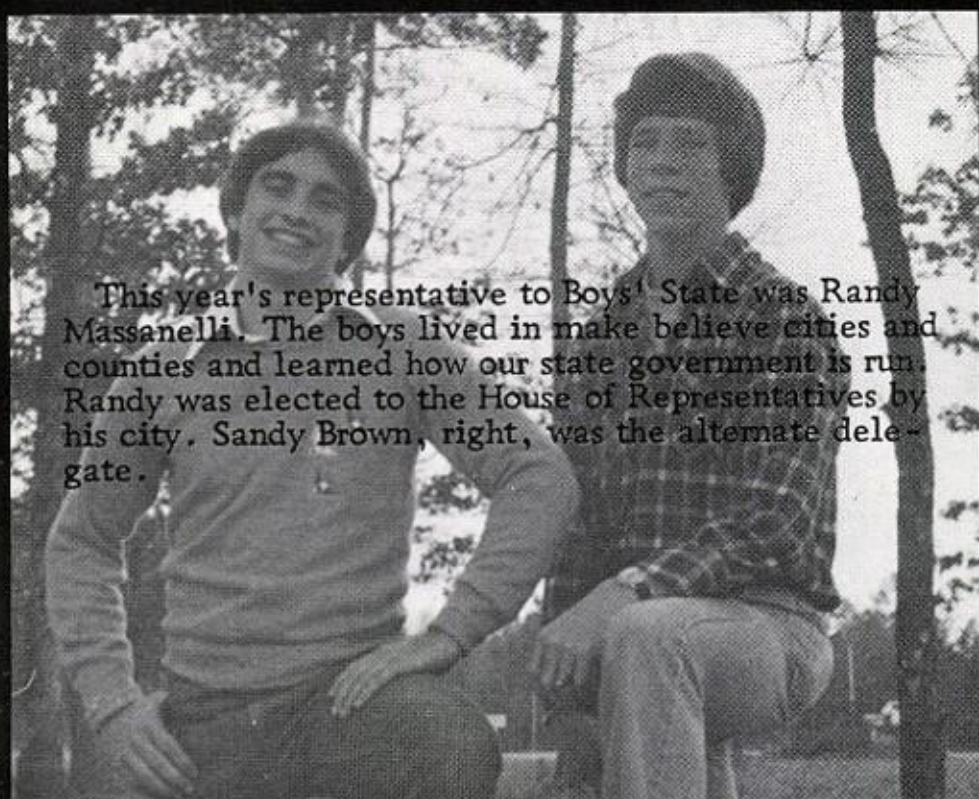

GIRLS' STATE

Carrie Curtis, Kim Quinn and Georgiana Walt were this year's delegates to Girls' State. In one week, rising Sr. girls from throughout Arkansas learn about state government. Grouped in mythical cities and counties, the girls elect local and state officials.

BOYS' STATE

This year's representative to Boys' State was Randy Massanelli. The boys lived in make believe cities and counties and learned how our state government is run. Randy was elected to the House of Representatives by his city. Sandy Brown, right, was the alternate delegate.

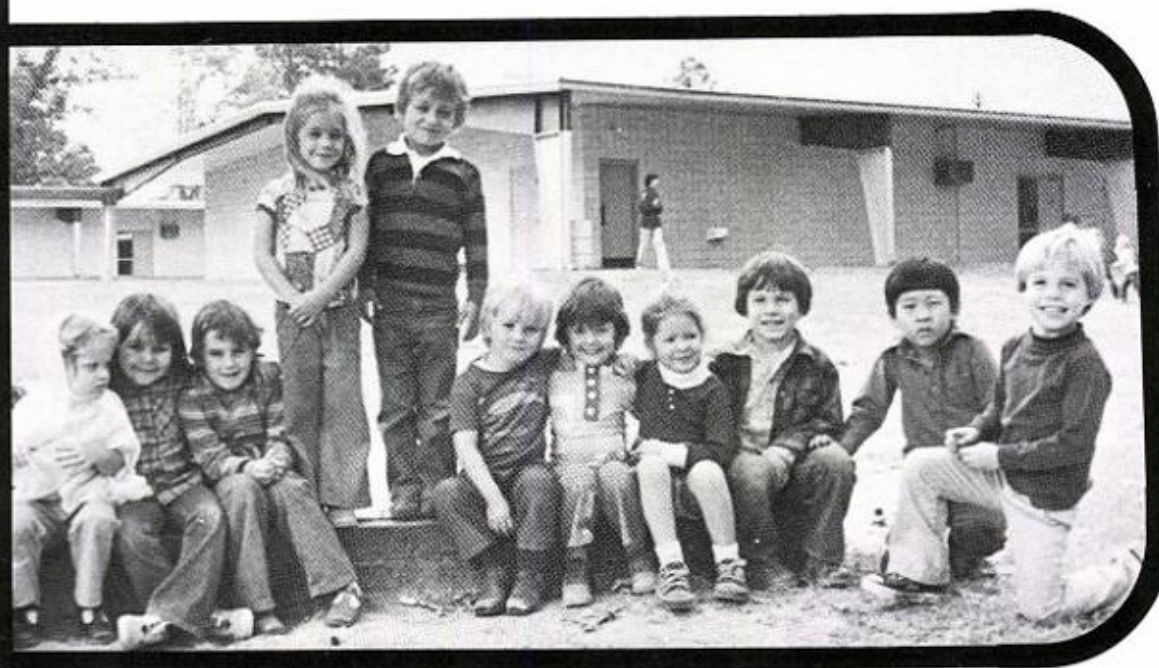

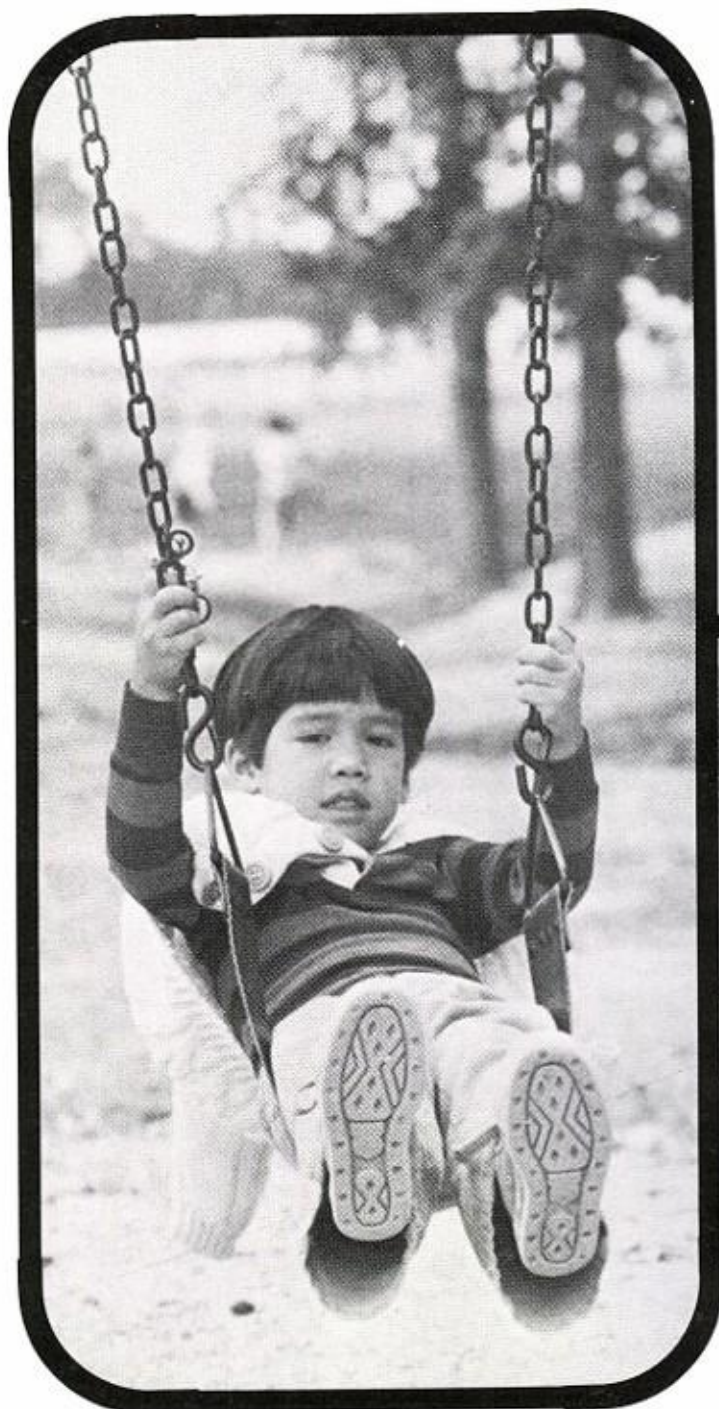

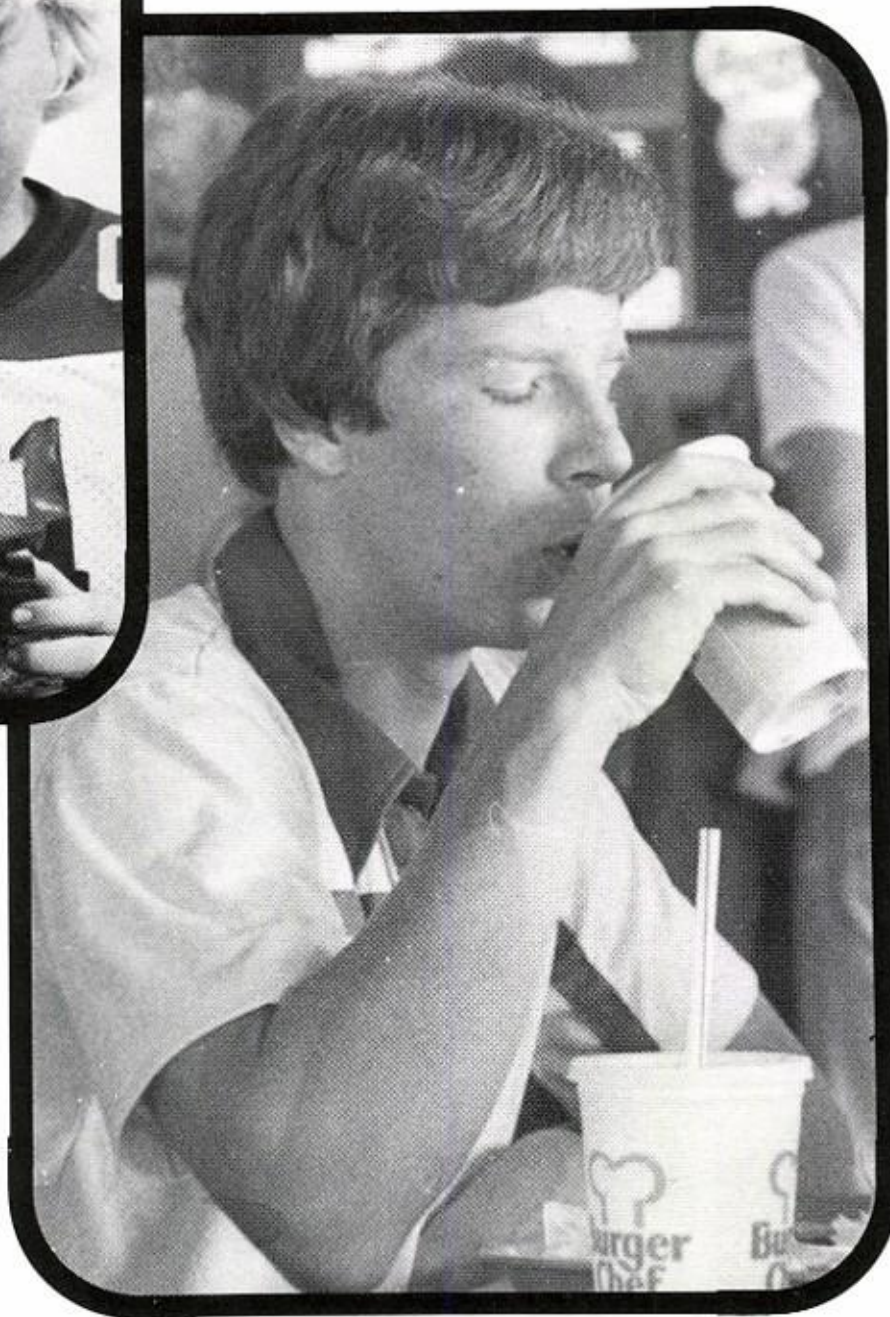

F.C.A.

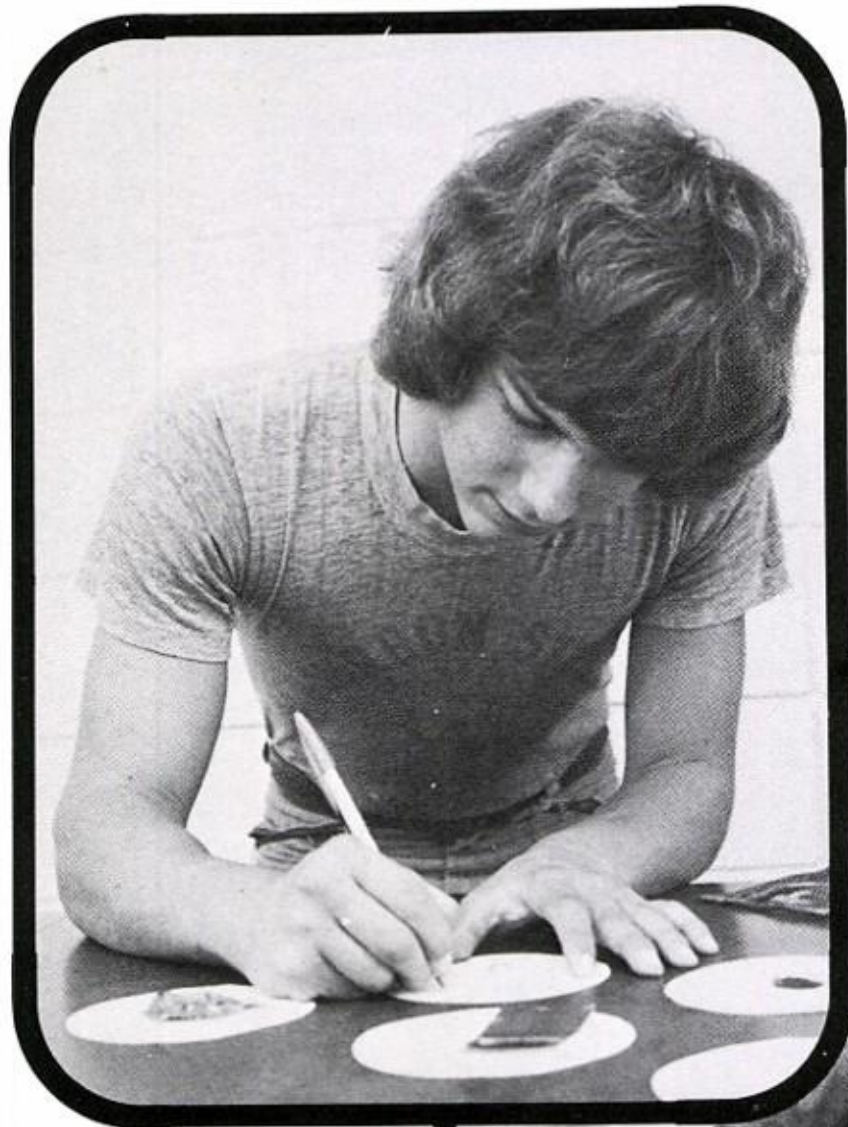

The Fellowship of Christian Athletes is a very special organization. Jefferson has a growing huddle and already it has had a lasting effect on the athletes involved. Meeting once a week, the students have a chance to share what Christ means to them. "I can do all things through Christ who strengthens me." Phil. 4:13

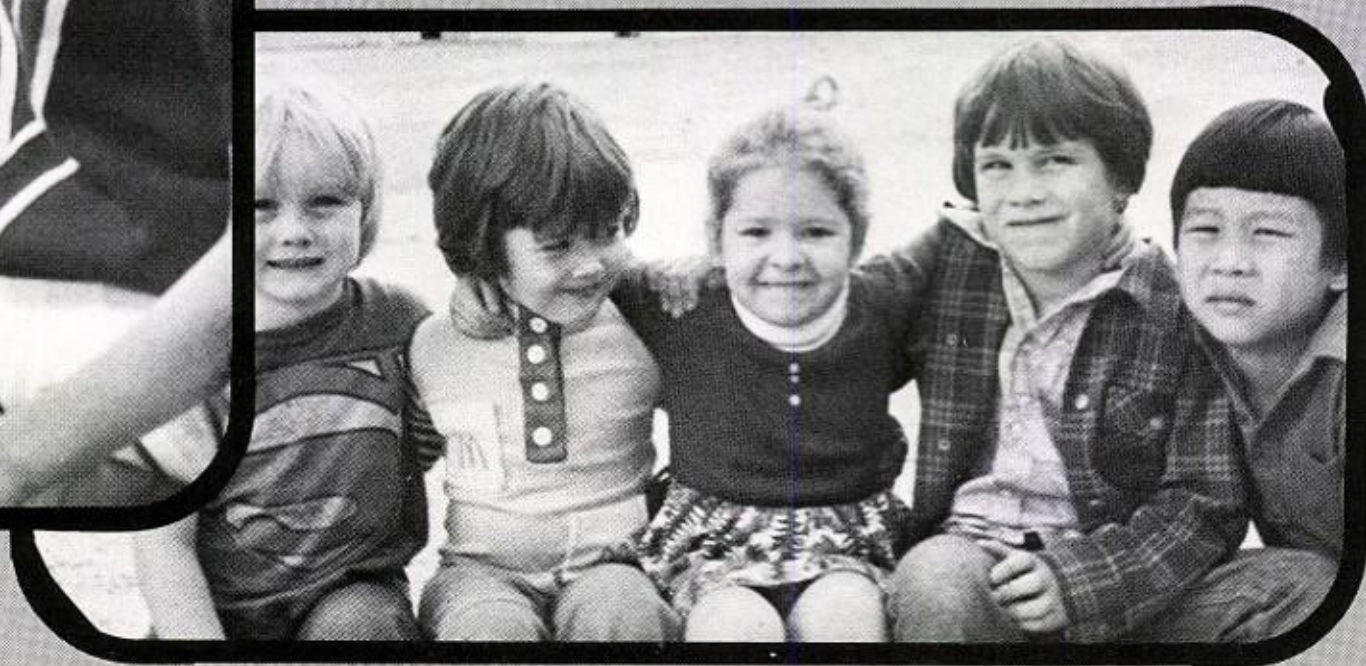

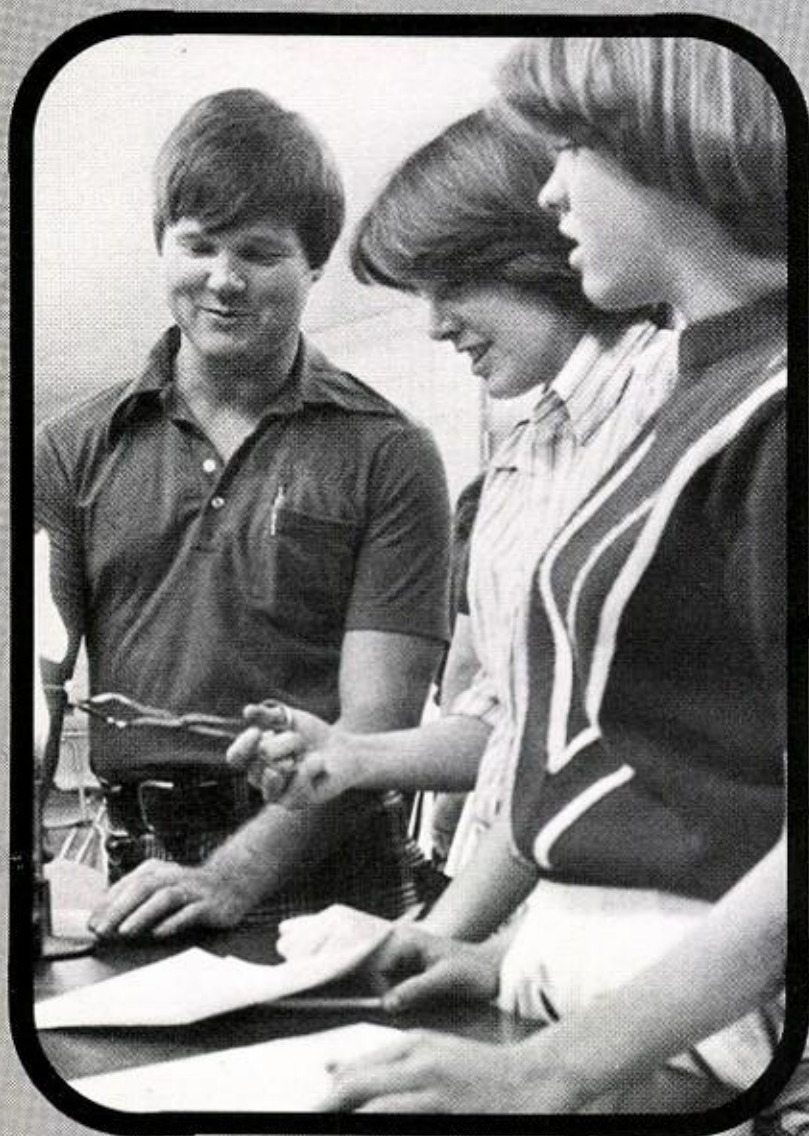

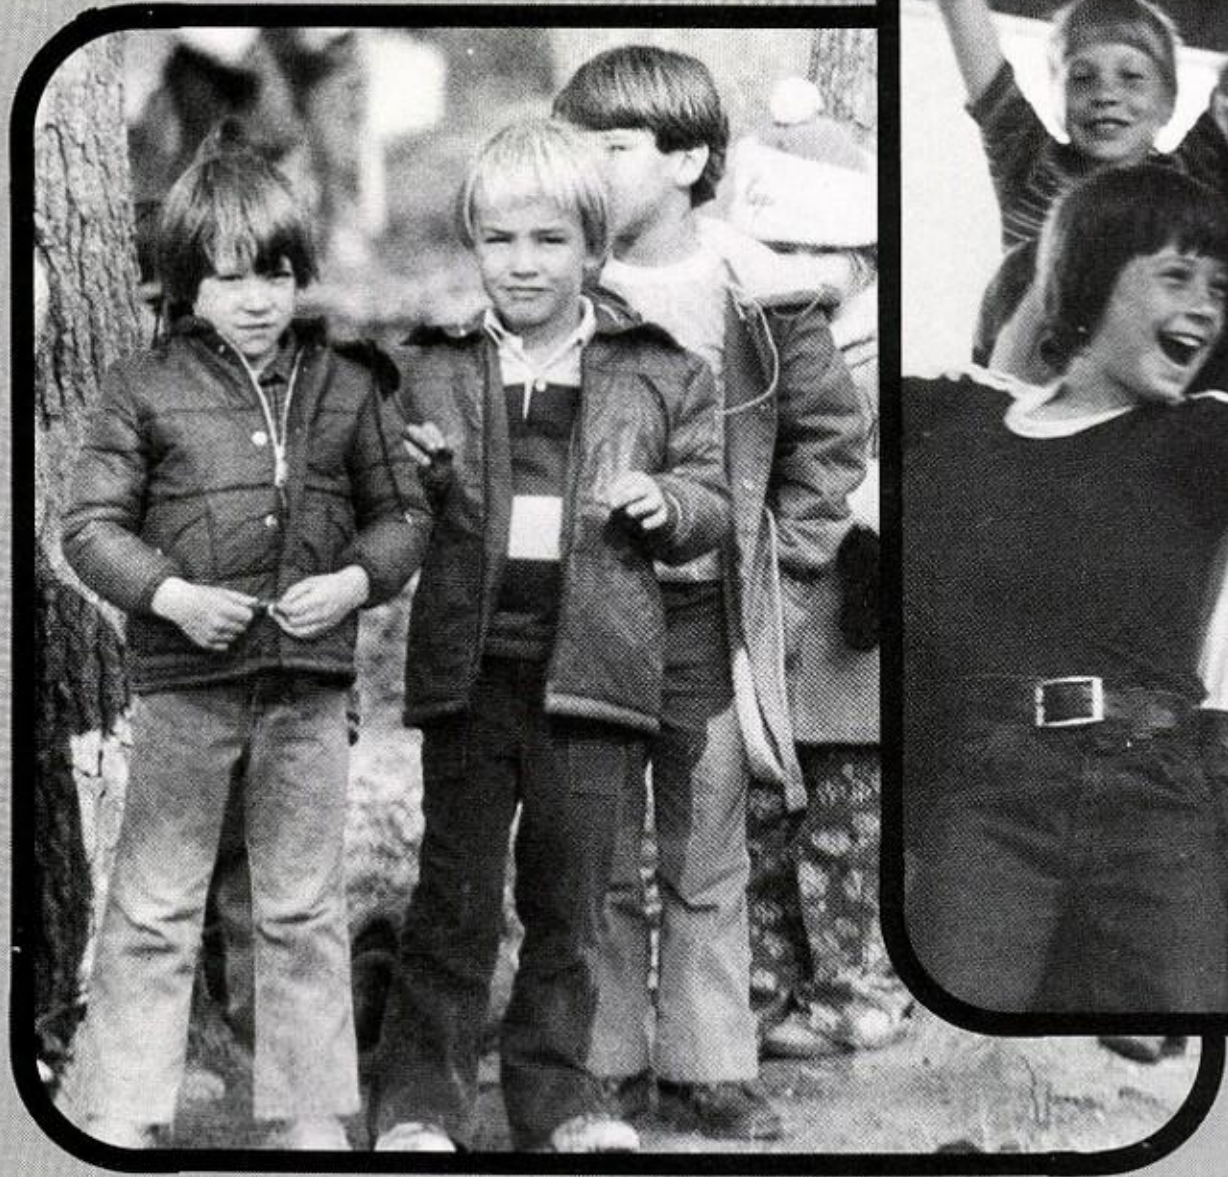

D.A.R.

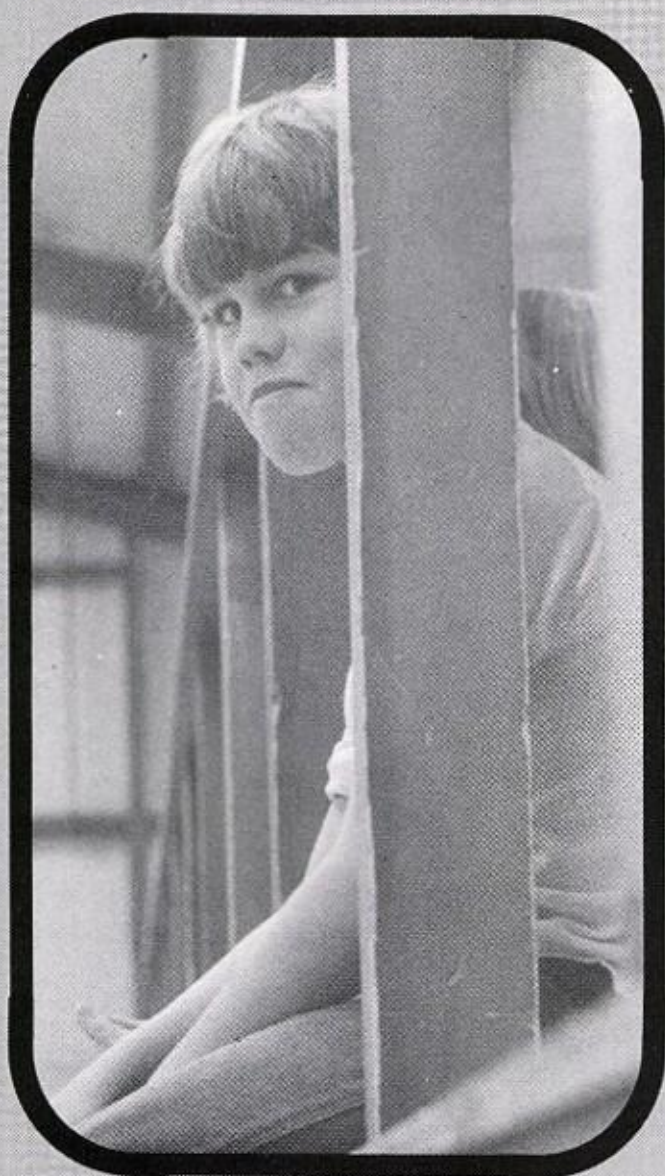

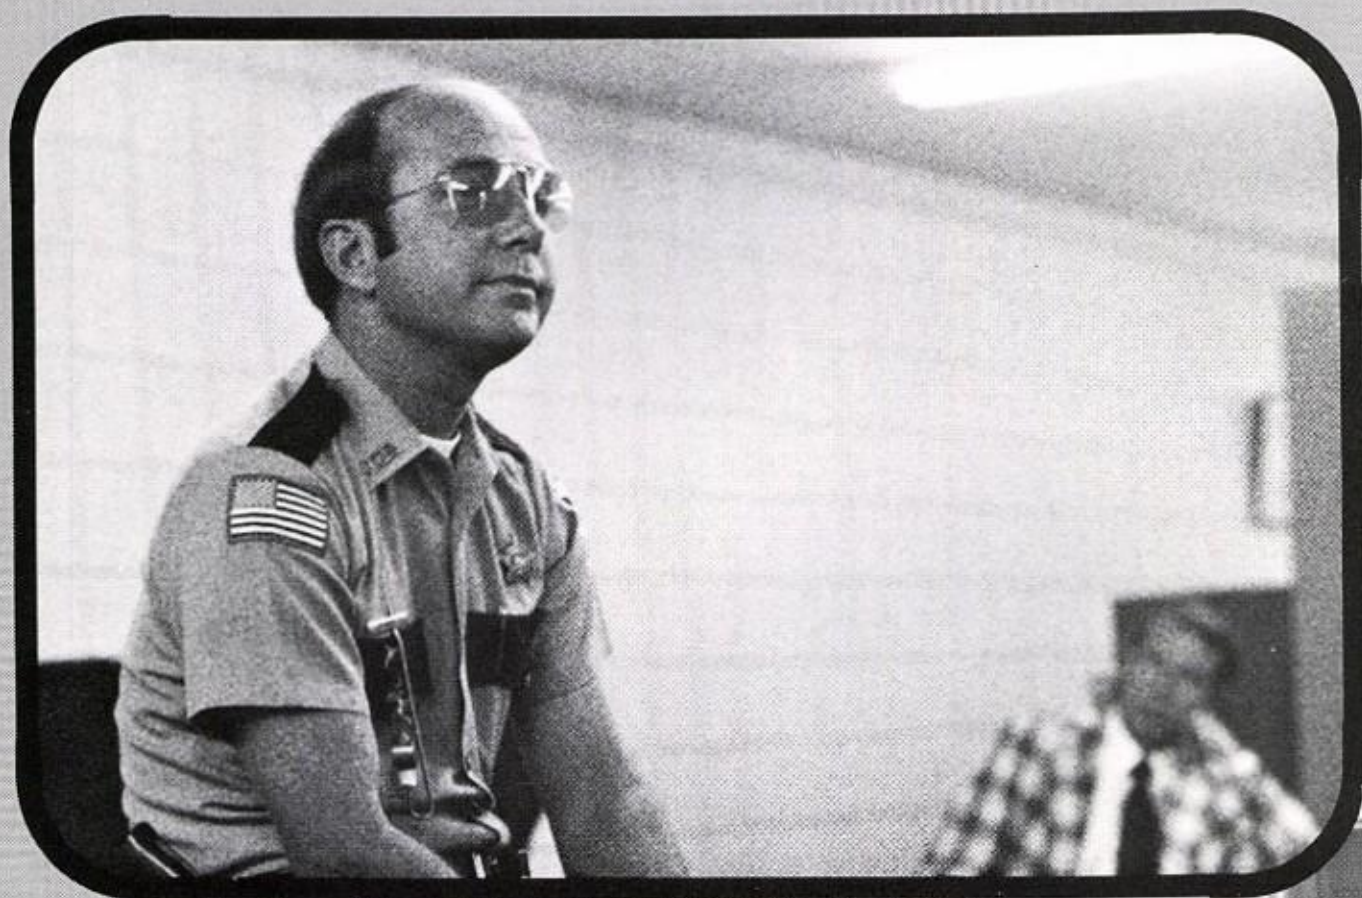

Melanie Owen was honored by The Daughters of the American Revolution as the 1979 DAR Good Citizen. She was chosen by the faculty for her patriotism, dependability, and leadership abilities.

Allison

Dear Mom and Dad,

I would just like to say thank you very much for your patience, guidance, and understanding throughout the past eighteen years. Without it I never would have made it this far. Both of you have always been there when I needed you and have stood behind me when I needed backing. You two are truly "the best" in my book.

I Love You Very Much!
Barrett

Dear Mom and Dad,

I can't say enough in these few lines to express the way I feel about the both of you. Thanks for all the love and patience you've shown me all these years.

Love,
Scott

Dear Mom and Dad,

Life with both of you as my parents had been wonderful. Thank you for standing by me during the good times and the bad.

I love you both,
Ronda

Dear Mom and Dad,

Your love and patience has helped me through the years. You've meant so much to me and I thank you for your "special" love and everything that came with it.

Love,
Deidre

Dear Mom and Norman,

I would like to say thank you for all the love and guidance that both of you have given me these past years. Without these two things I would have never come this far. Mom, I want to say especially to you, you have been great, though the times it was rough, because I know it was hard for you, but you seemed to always be there.

I love you both,
Cindy

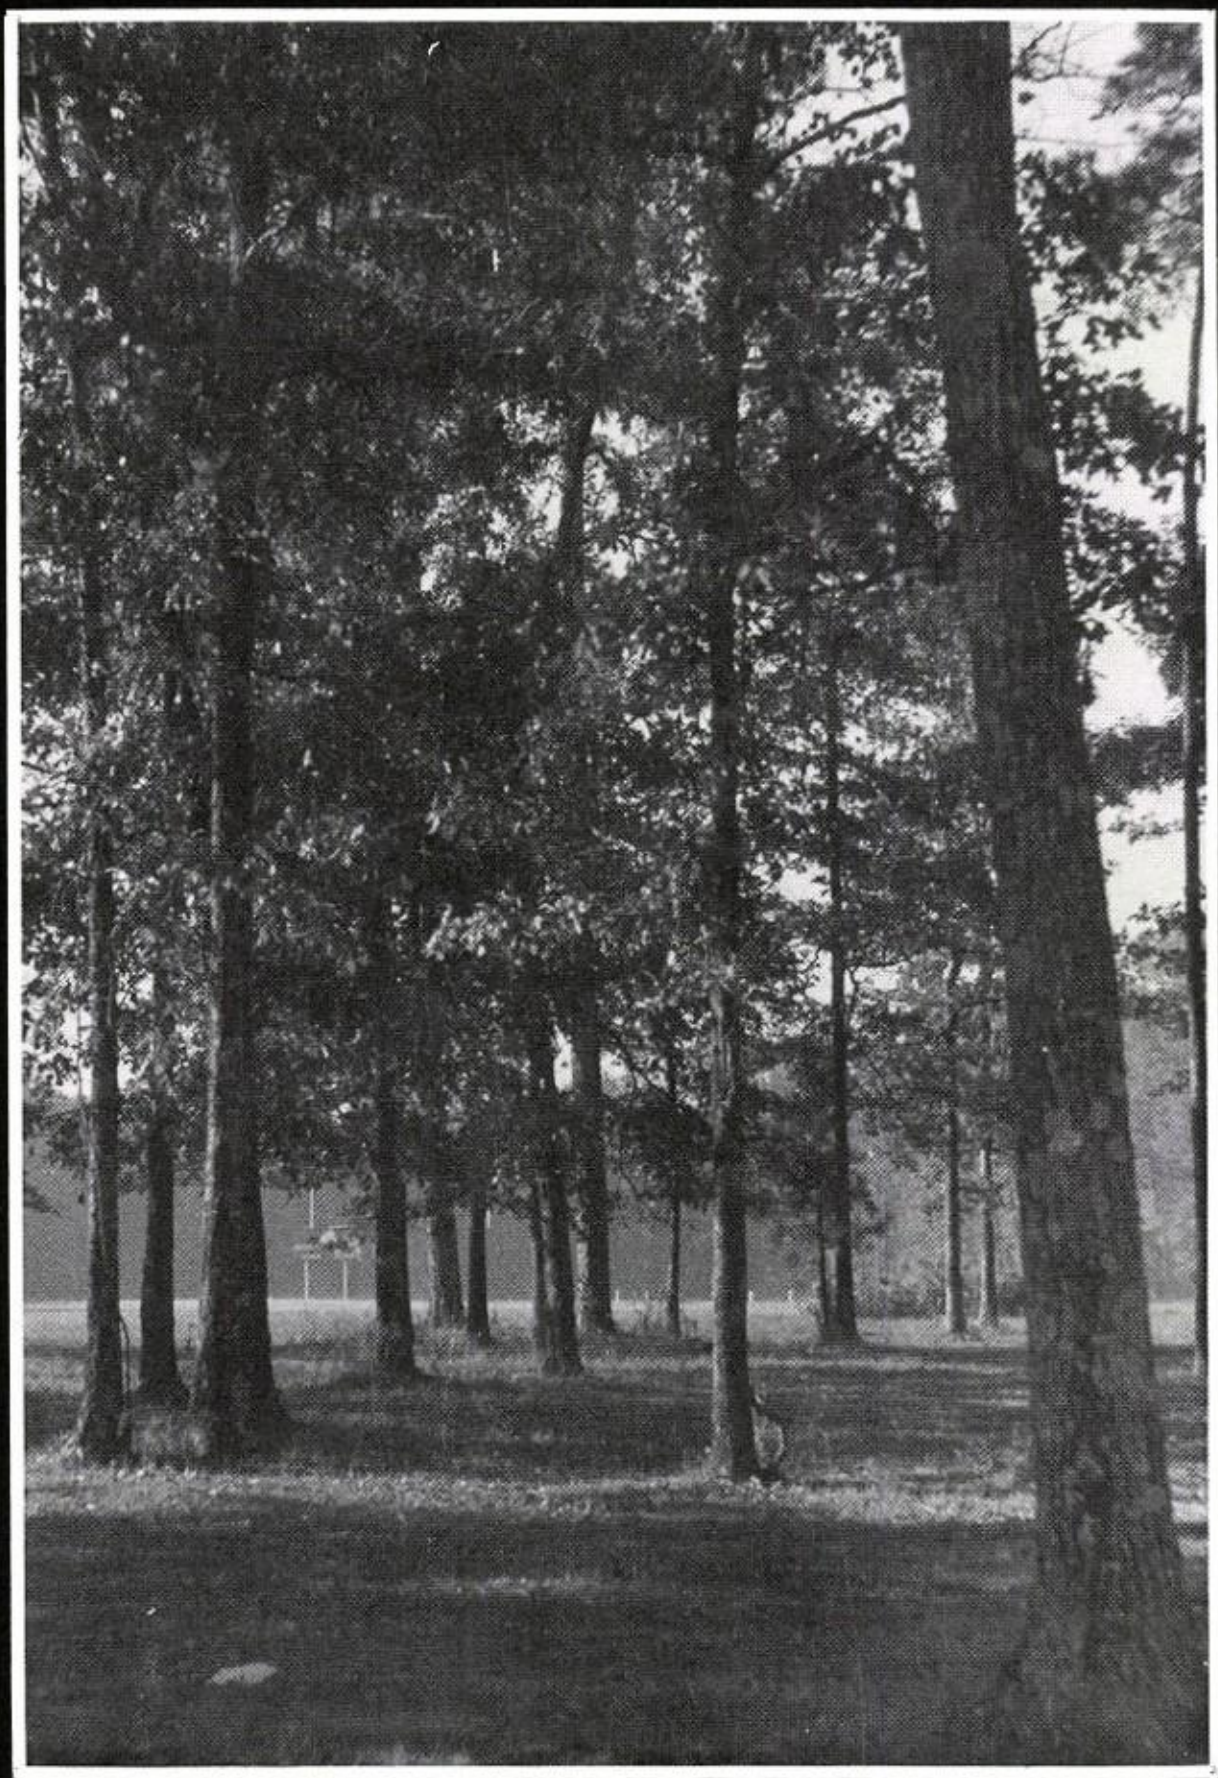

Therefore being justified by faith, we have peace with God through our Lord Jesus Christ.

Romans 5:1

Dear Mama and Daddy,

I will forever be grateful to you for bringing me up in a Christian home with love and understanding. Thank you for everything.

I love you,
Linda

To Our Daughter - Angela

After you were born and reached the age of one
We dreamed - "Oh gee, aren't we going to have fun".
And when you reached your second year
We still felt, "Oh what a dear"
And at the age of three
We compared you as sweet as a honey bee.
And at the age of four
We loved you even more.
And then you reached the age of five
We slowly began to realize,
That by the time you were six
You would be capable of many tricks.
We now thought as a child of seven
You weren't exactly a bundle from heaven.
But we thought that when you reached the age of eight,
That whatever we did, wouldn't be too late.
And then you were nine
We knew you were born under a very special sign.
A year later as you reached ten
We felt you could commit no sin.
And at the tender age of eleven
We were certain you were a child of heaven.
Suddenly, you were in your early teens
We knew then you were capable of many great things.
We are confident that as graduation nears,
We will all remember those sweet and tender years.
Congratulations - you can conquer all my dear.

Much love, MOM AND DAD

Congratulations, Allison!

Allison,

You have always been special in our lives and we are so very proud of you today. The joy and happiness you have brought us we shall treasure always. We wish only the best life has to offer for you and we are confident you will succeed in what you set out to do.

IF
If you can keep your head when all
about you
Are losing theirs and blaming it on
you;
If you can trust yourself when all men
doubt you,
But make allowance for their doubt-
ing too:
If you can wait and not be tired by
waiting,

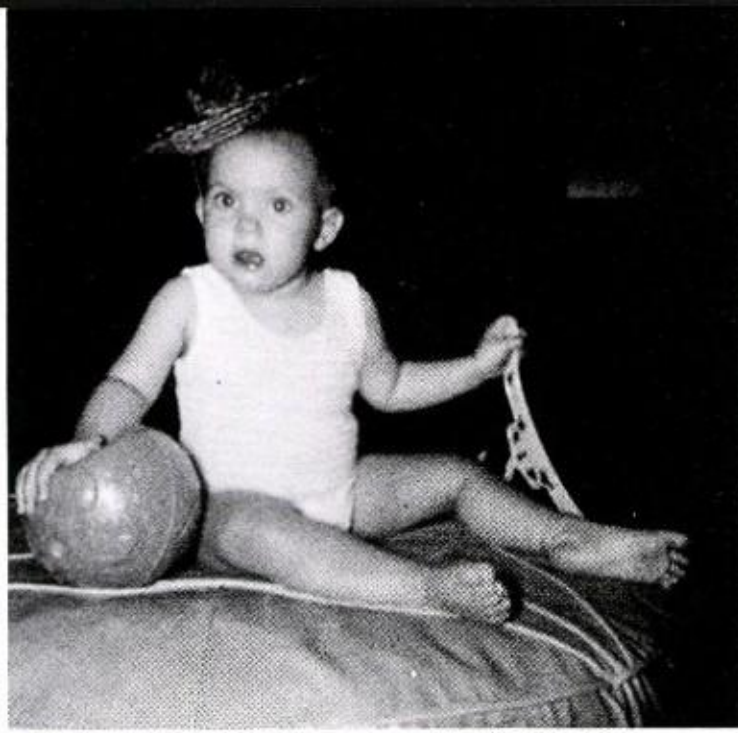

Or, being lied about, don't deal in
lies,
Or being hated don't give way to hat-
ing,
And yet don't look too good, nor
talk too wise;

If you can dream - and not make
dreams your master;
If you can think - and not make
thoughts your aim,
If you can meet with Triumph and
Disaster
And treat those two impostors just
the same:
If you can bear to hear the truth
you've spoken
Twisted by knaves to make a trap
for fools.

If you can make one heap of all your
winnings
And risk it on one turn of pitch-and-
toss,
And lose, and start again at your be-
ginnings,
And never breathe a word about
your loss:
If you can force your heart and nerve
and sinew
To serve your turn long after they
are gone,
And so hold on when there is nothing
in you
Except the Will which says to them:
"Hold on!"

If you can talk with crowds and keep
your virtue,
Or walk with Kings - nor lose the
common touch,
If neither foes nor loving friends can
hurt you,
If all men count with you, but none
too much:
If you can fill the unforgiving minute
With sixty seconds' worth of dis-
tance run,
Yours is the Earth and everything
that's in it,
And - which is more - you'll be a
Man, my son!

Rudyard Kipling

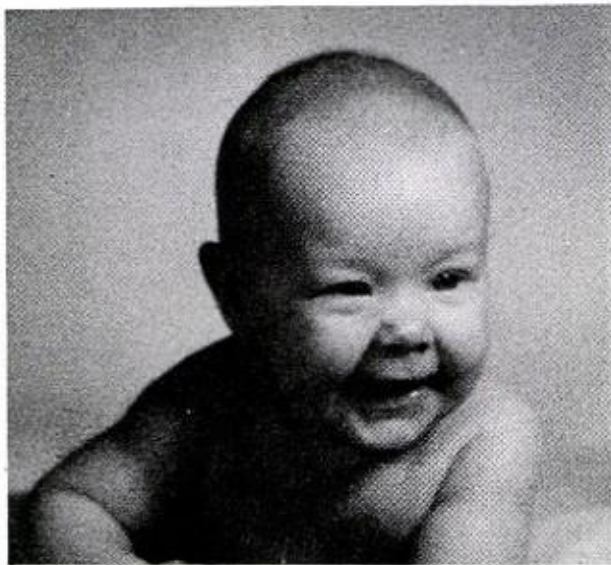

MELANIE,

It is hard to sum up the past 17 1/2 years. We all thank God for sending you to us and for being the daughter and sister you have been. Needless to say that you do have a wonderful relationship with God, so therefore we will not worry about you quite so much. Our hopes and dreams for you have come true. Thank you for our many precious memories. Always remember and know that we are proud of you. Good luck as you enter college.

CONGRATULATIONS,
